**Subject:** FW: GTN Informal Discussion - Need to Reschedule

**Importance:** High

Hi All,

I just got this note from GTN's attorney canceling today's meeting and asking them to push back the informal meeting to December. I propose that we:

- Reschedule the informal meeting for December and
- During next week's pre-hearing conference with an ALJ, set a hearing date as soon as possible.

There's no way we'll get a hearing before mid-December but we need to keep the pressure on to finalize this as soon as possible.

Are any of you unavailable on the dates highlighted below?

Kieran

Kieran –

Apologies for the late notice, but GTN will need to cancel and seek to reschedule today's informal settlement discussion with DEQ. GTN is in the process of reviewing and evaluating the approximately 10,000+ documents produced by DEQ, and needs more time to complete this significant task.

In order to accommodate the document review, and PTO and travel schedules, GTN would like to seek to reschedule the meeting with DEQ to **December 13, 14 or 15**.

Thank you,

David

**Subject:** GTN Informal Discussion

Hi David,

I'm following up to try and get a meeting between DEQ and GTN scheduled before the November 10 pre-hearing conference with the ALJ. DEQ is available to meet with you and GTN for an informal discussion on the regional haze order on the following dates and times:

October 28, 2:00pm – 4:00pm PST, and

November 2, 1:00pm – 3:00pm PST

Do either of these dates and times work for you and your client? If not, are there other times that work on your end?

Thanks,

Kieran
